REMARKS

The Specification has been amended to comply with USPTO requirements, to add a claim to priority, to replace British spelling of words with American spelling, and to correct minor typographical and grammatical errors. The abstract has also been amended. Figures 1 and 11 have been amended. Applicant respectfully submits that no new matter has been added and that all amendments to the specification are fully supported by the originally filed specification and claims.

Claims 1-2 and 6-10 have been amended and new Claims 11-18 have been added. Claims 3-5 are unchanged. Support for the new claims can be found in the Specification and the originally filed claims. Accordingly, Applicant respectfully submits that no new matter has been introduced with these amendments.

In view of the foregoing remarks, Applicant respectfully submits that the claims of the above-identified application are in condition for allowance. However, if the Examiner finds any impediment to allowing all claims that can be resolved by telephone, the Examiner is respectfully requested to call the undersigned.

Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,
